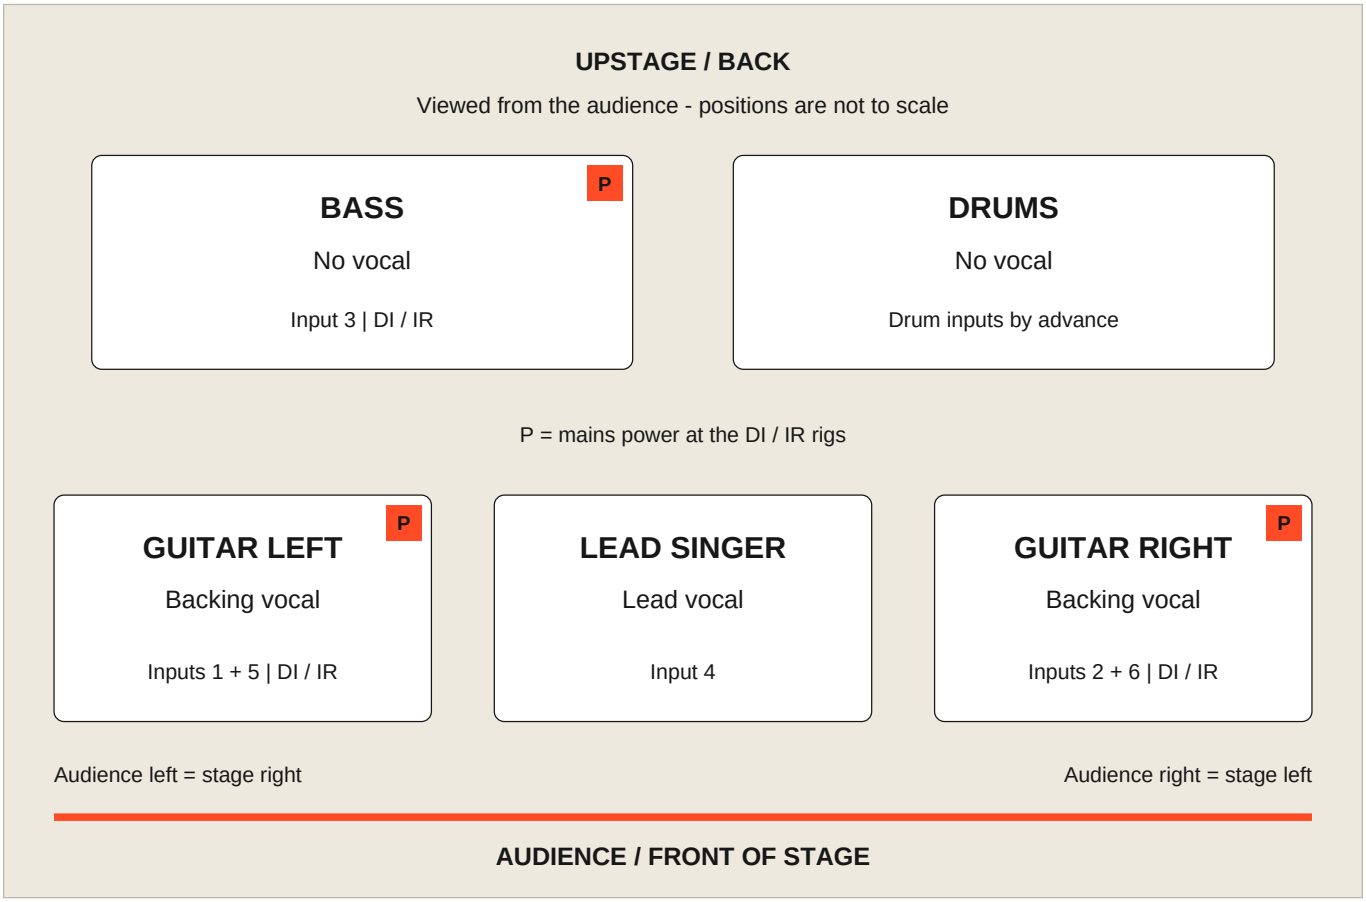
COOCHILLA

STAGE PLOT | European Summer Tour - June 2027



Front: guitar left + backing vocal; lead singer center; guitar right + backing vocal.

Back: bass on audience-left; drums on audience-right. Neither bass nor drums has a vocal mic.

P = power: mains power at both guitar rigs and the bass rig. Monitoring positions and mix allocation are agreed with the venue.

DI / IR instruments: both guitars and bass can go directly to the PA without stage cabinets. Optional cabinets require suitable amplification and routing agreed in advance. See the technical rider for the input list.
